Sir:

Please note that a few minor changes have been made to our response.

In our initial response filed on May 7, 2002, words such as "snuggly" were inadvertently included in the response. Thus, the supplemental response, of which this letter has been attached, has been filed to correct for these oversights.

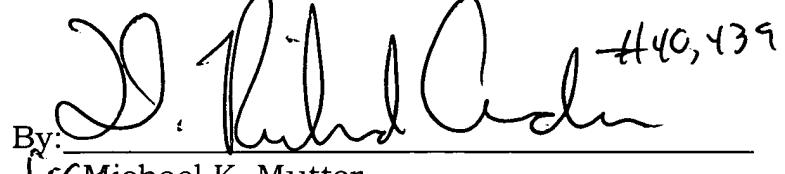

The supplemental response has been filed in order to avoid any confusion that may have arisen due to the inadvertent language used and also to clarify particular aspects of the present invention. The supplemental response more fully represents an accurate representation of the present invention, which provides a better understanding of the above-identified application.

If you have any questions or concerns, please contact Chad Billings at telephone number 703-205-8001.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§ 1.16 or 1. 17; particularly, extension of time fees.
